Pastors Corner

"Spring Out" the BEST in YOU!

Spring is almost upon us! The chirping of birds, the blooming of flowers, and the end of a very cold winter (except in Hawaii..haha!). For so many, the possibilities of Spring are endless, now that the bitter cold has dissipated. Everything from Spring cleaning to planting a garden is what makes this time of year so special. Isaiah 43:19 suggests that God wants to do the same in our lives...Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert. KJV God anticipates new seasons in our lives where we put away "the old man," and embrace the fresh, "new man" that God has prepared for each of us. Much like seasons in the natural, spiritual seasons serve a purpose as well. This is the season to plant the seed to God's Word, to clean our hearts before God, and to know that God wants to do a new thing in our lives. This is the season to forget the old things of yesterday, and walk into the blessings of God today! This is the season to seek out new interests in God, new possibilities, and a fresh, vibrant relationship. Will you let God "Spring Out" the best in you?
